MDO Registration for 2024-2025

It's registration time again! Registration forms for the 2023-2024 school year will be sent home the last week of January. The registration schedule will be as follows:

- ♦ **February 5th & 6th:** Registration for current students and their siblings.
- ♦ **February 7th:** Open registration begins.

We will start accepting registration forms at 9:15 am in the church lobby. (More detailed information about the registration process will be announced closer to registration time.) Current students and their siblings are guaranteed a place in the program, however, specific spots (e.g. MWF or TTh) will be filled on a first-come, first-served basis.

Your child will be considered registered when the completed registration form has been submitted and the registration fee, per child, has been paid. **"Early Bird"** registration fees are as follows: \$140 for 2 days/week, \$150 for 3 days/week and \$200 for 5 days/week as it is equivalent to a double registration. **After March 31st**, registration fees will increase to \$155 for 2 days/week, \$165 for 3 days/week and \$210 for 5 days/week.

Tuition rates for the 2024-2025 school year will be as follows: \$235/month for 2 days, \$315/month for 3 days, and \$550/month for 5 days. There is a \$25/month discount for siblings. (Tuition rates are subject to change.)

We will only be registering for MWF, TTh or M thru F classes at this time. Different combinations of classes may be requested on the registration form, but will only be considered after our enrollment period ends.

If you have any questions or concerns about registration, please contact MDO administration at mdo@journeybf.com.

Preschoolers & Sleep

Is your child getting enough sleep?

Ask yourself:

- Does my child frequently fall asleep in the car?
- Do I have to wake him almost every morning?
- Does he seem cranky, irritable, or overtired during the day?

Preschoolers on average need 10 to 13 hours of sleep per day. Develop good sleep habits by setting an appropriate bedtime & having a consistent bedtime routine.
